

Llantilio Pertholey Church in Wales Primary

Dear Parents and Carers,

I really can't believe that we are near the end of term already. It has been such a busy year and a year of more disruption and rules due to COVID-19. We really hope that we are much closer to normal soon!

Could I ask you to complete our annual Parent Survey?

We really do value your views about our school.

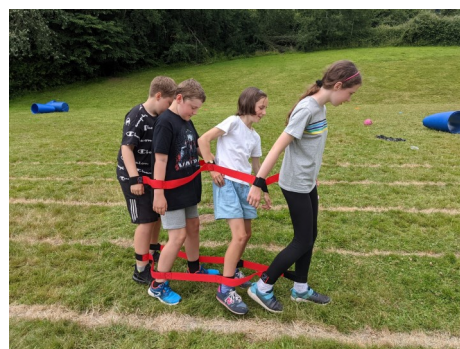

We want our school to be the best school it can be in all aspects. By the very nature of schools and how we change and evolve, there are always things to develop and improve. This survey is largely the survey used by Estyn when they visit schools.

Click here if you would like to complete the survey:

The 'camping' for our Key Stage 2 children has been a great success. The children were really well-behaved and tried hard with every activity. They showed leadership skills, problem-solving skills, determination and resilience amongst many other traits. We were very proud of them. And all of them showed us that they can do the washing up! Remember that mums and dads.

Thank you for contributing to these days. We could not have done them in the way that we did without that. Thank you to the staff for giving up their free time and staying in school until 10.00pm at night for our older pupils! I must say a big thank you too to those parents who kindly donated extra to make the days even more special.

A big thank you to all of the staff who, as always, went over and above, to make our 'camping days' so special. Amazing memories to treasure.
