

### Literacy

- Create a poster to advertise a sport. Include an important person. Remember to use persuasive language.
- Create a leaflet advertising equal rights of everyone
- Create a menu you would give a famous person who came to tea
- Choose someone who has inspired you to learn. Retell what they did to help you on your learning journey.
- Choose someone you're interested in and create a presentation on 'slides' on Hwb on how who, why and how. Present it to your family.

### Numeracy

- Research 3 different houses. Find out how much they cost to buy. Can you buy a similar house for less or more in London? France? Wales?.
- Help make a (three course) meal for your famous person. Work out how much it costs per person. Could you make it any more cheaply?
- List 20 famous people. Put their dates of birth in order oldest first. What's the difference between the oldest and youngest person? How old is each person in 2024. How old will they all be in 2030?

### Science and Technology

- Who invented the light bulb?
- Who was the first lady to fly across the Atlantic?
- Who invented penicillin?
- Who designed the Severn Bridge, The Bristol Suspension Bridge?
- What period in time was the wheel invented?

## Very Important People

### Health and Wellbeing

- Keep a daily record of your wellbeing. If you have a 'down' day, try to work out what caused it and what made you feel better. Try to avoid your triggers that make you feel 'down'.
- Sports people know practice makes perfect. Do 30 minutes of physical activity every day. Keep a diary of your activities and how exercise makes you feel. Record any improvements you make.
- 

### Expressive Arts

- Draw a portrait of your hero. .
- Make your own recipe and advertise your new product.
- Choose one of the famous people you have researched and make a papier mache model of them.
- Who has written music that had inspired you?
- Whose art work do you admire? Why?
- 

### Humanities

- Create a timeline of famous inventors. Make sure to illustrate your timeline.
- Choose a historical figure that interests you and research them. Record your research.
- Everyday heroes. – make a list of people who help us- bin men, cleaners, nurses, How is your life made better through them?
- Use a World map to locate where Rosa Parks got on that famous bus, Martin Luther King made his speech.
- Research any famous explorers -What did they discover?
