

# Llantilio Pertholey Church in Wales Primary

Dear Parents and Carers,

The three weeks that we have been back in school since the Easter holidays have flown by. We have had such a busy few weeks. Make sure you check out our Twitter Feed for photographs of your children's learning activities.

## Year 6 Transition

Our Year 5 and 6 children have worked with Mrs Reynolds from King Henry High School (KHS) all year to support transition from Year 6 to Year 7. This term Year 6 have had a series of sessions with other KHS staff including Humanities, Literacy, Maths and Health and Wellbeing.

## Christian Aid Week 15th - 21st May

As part of their learning next week the children will be finding out about the valuable work of Christian Aid. We will be discussing charitable work and how fundraising supports this. We will also be discussing how volunteering and giving time to help others is important.

On Friday 20th May we are asking the children to come into school wearing old / outdoor clothes so that each class can give up their time to work on and improve an area of the school to represent us doing things for others.

Parents are invited to make a small donation on parent pay to link to the fundraising aspect. We understand the current situation and only ask for a donation if you are able to do so.

### Cookalong Clwb

Thank you to three of our families who agreed to take part in the pilot of the Cookalong Clwb.

Each week they are taking part in a zoom cooking session to teach the children all about food and how to cook. I'm not sure how well they are doing at the cleaning up though.

So far they have enjoyed making (and eating!) chicken noodle soup, pizza and Pip's sausage meatball pasta. We can't wait to see what they will make next.

We are hoping that once the pilot sessions have been completed that lots of our families can get involved next time. We will keep you updated.

### Curriculum for Wales

As I'm sure you are all aware all schools in Wales are working towards beginning to implement the new curriculum for September 2022. Please use the link below for the parent information leaflet produced by Welsh Government. We will be holding a meeting for parents to share what it means for our school on Tuesday 7th June at 2.45pm.

### See How They Learn—Reception

We are pleased to be piloting a series of family learning sessions for our Reception parents on Tuesday afternoons starting next week. There are 8 sessions including speaking and listening, reading, writing and number. We have a couple of spaces available so if you would like to be involved please contact the office.

### Queen's Jubilee

Some classes have been learning about the Queen as part of their work on Very Important People. We will be celebrating the Queen's Jubilee on Friday 27th May. You should have received letters about lunch for that day this week as we will be having a street party lunch (hopefully outside - weather permitting). Please contact the office if you have not received a letter. All children will be part of the celebration so children can bring their own packed lunch if they prefer. Please can the children come to school in sensible and appropriate party clothes for the celebration. They will be involved in some games during the afternoon. We will also be having a visit from the ice cream

### Attendance

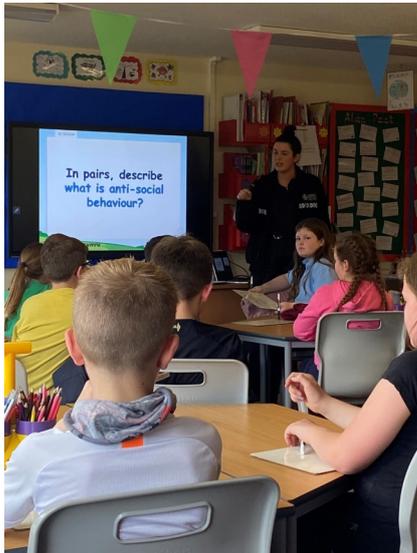

It is very important that all parents contact the school as soon as possible on the morning of the first day of absence to let us know if your child is going to be absent. Please also ensure that we have the relevant numbers to contact you. If we do not receive information about absence and cannot contact you we have to consider a safeguarding risk as it is possible you have sent them to school but they have not arrived.

## Police Visits

Our new Community Police Officer came in to school on 5th May to work with our KS2 children. PC Maddie talked to the children in Year 3 and Year 4 about internet safety, Year 5 about anti-social behaviour and Year 6 about drugs, alcohol and making the right choices. She will be in again this term to work with our Foundation Phase children.

## Good luck Mrs Bawler!

Mrs Bawler has been training hard over recent months in preparation for the Edinburgh Marathon on Sunday 29th May. So far her longest run has been an impressive 20 miles. We wish her good luck and hope that half term will provide a well deserved rest.

We share information with parents, carers and the school community in a number of ways:

- SCHOOP (This is essential! Ask the office or go to the website for instructions of how to sign up)
- TWITTER (@LPCommunity\_)
- WEBSITE ([www.llantiliopertholeycv.monmouthshire.sch.uk](http://www.llantiliopertholeycv.monmouthshire.sch.uk))
- SEESAW

Please ask in the office for support to access any of these.

### Bird Box

Children and staff have been fascinated watching the footage of the inside of the bird box. We have seen the bird making her nest, watched and waited for the eggs to hatch and are now loving watching her feed the chicks who now have feathers

As always thank you for your continuing support.

God Bless

(Deputy Headteacher)
