

# Llantilio Pertholey Church in Wales Primary

Dear Parents and Carers,

I continue to be so very proud of our school. The support from parents in home schooling and following the rules coming back to school has been fantastic. We have had a number of emails of support that are fabulous to receive. Other school colleagues I speak to across Wales have not had quite the same level of support and understanding that we have had. Thank you very much.

## **Foundation Phase (FP: Rec-Year 2)**

The return of FP children from Wednesday 24th February has been very successful. It has been wonderful to hear children playing with their friends on the yard once again.

### Breakfast and After School Club

Breakfast Club and After School Club facilities continue to support parents to work from Wednesday 24th February. These can be booked through ParentPay in the usual manner.

I asked you to only '***Please only use these facilities if you really need it***'. Once again the numbers have been very low. Thank you. This makes it so much easier to keep staff and children safe in their class bubbles.

I remind you that Breakfast Club starts at 8am. Children should ***arrive at the hall doors*** and will be taken up to their usual classrooms for their breakfast. This system has been very simple to put into practice and the children attending have been so well-behaved and sensible.

Numbers have been very low for After School Club too. Thank you. To help support parents who may be struggling we have reduced the price of our After School Club to £6.00 a session. After School Club finishes at 5.15pm.

## Foundation Phase Arrival and Departure Procedures

We will continue to have staggered arrivals and departure times. Thank you for *not arriving more than 5 minutes* before your given time. This is to limited mixing on the yard. If you have children in more than one year group please arrive at the ***earliest child's time***. We will arrange for you to collect both children at the same time.

Please note the ***change of times*** on the FP timetable. Things have run very smoothly and so we will try a ten minute stagger from next week Monday 8th March.

8th March onwards	Arrival	Departure
Reception	9.00	3.20
Year 1	8.50	3.10
Year 2	8.40	3.00

## **Key Stage 2 (KS2 Year 3-6)**

I am sure that you will have heard that we are hoping for the return of all KS2 pupils on Monday 15th March. **We have not had a definite confirmation** of re-opening but we putting plans in place as the date is so close. I wanted to share these with you so you can plan ahead too. We are hoping to have confirmation as soon as possible.

Breakfast and After School Club for children accessing the Hub.

Breakfast Club and After School Club facilities can be booked through ParentPay in the usual manner.

***Please only use these facilities if you really need it.***

Breakfast Club starts at 8am will take place in hall for KS2 pupils. Children should ***arrive at the hall doors*** as usual.

Numbers have been very low for After School Club too. Thank you. To help support parents who may be struggling we have reduced the price of our After School Club to £6.00 a session. After School Club finishes at 5.15pm.

## Safety and Returning to School

We have updated the Risk Assessment for school and this is available on the school website. Links to LA or WG Guidance are also available on the school website.

Thank you for continuing to wearing masks on the school site, for following the signs and staying 2m apart. We all want to avoid a further lockdown or having to close classrooms or the school. Thank you, too, for not arriving too early. However, I must remind some parents, that ***you must leave the school site as soon as you have collected your child***. It is important if you have younger siblings with you that they stay by your side. We have worked very hard to ensure that children do not mix year group bubbles in school time. It was disheartening to see a number of children from different year groups playing on the yard together after school. Children must not do this. Children must not play on the equipment on the yard. We are staggering access to the equipment for the children from week to week to lower the risks of COVID cross-contamination. Please do not stay to have a chat with other parents. Also, the message from WG was clear. Even though children are returning to school, they should not be mixing outside of school, ***even with children in their class***. Children really are good at telling us everything they do at home.

**Thank you for playing your part and supporting us with our procedures. If you have any queries please let us know.**

**Best wishes,**

(Headteacher)
